Contrary to what you may think, couples won't be the only ones to book a weekend stay at a B&B for Valentine's Day. Independent singles, friends and troubled duos can find [bed and breakfast specials](#) from [BnBFinder.com](#) that offer sweet revenge, recovery and pampering specials. Find a Valentine's Day special that's right for you by visiting the Specials page on [BnBFinder.com](#).

The Cure - Don't let an ex get the best of you this Valentine's Day. Give your heart a chance to recuperate with the "Breaking Up is So Very Hard to Do, But I'll Get Over Him" special from [Avenue Inn Bed & Breakfast](#) in New Orleans, LA. Come alone or bring a friend and get your heart in recovery mode for 3 nights in the Big Easy. The special includes a one hour massage, a welcome bag of shopping discounts, Mardi Gras beads, Southern Comfort souvenirs, a copy of the book "He's Just Not That Into You," two pints of ice cream, unlimited passes for public transportation around town and the French Quarter, tickets to the Gray Line Cocktail History Tour and a Voo Doo doll with pins and a permanent marker.

Number One - Celebrate the only special person in your life right now, you! Give yourself some "me" time at [Montgomery Inn](#) in Versailles, Kentucky with "The Un-Valentine Special." Unwind in the library and select from a wide collection of DVDs, magazine, music and books or sit in peace in an oversized Jacuzzi. The special includes dinner, chocolate bourbon truffles, and a complimentary glass of wine or sparkling cider.

Tough Times - No one said marriage was easy. For struggling couples that aren't ready to throw in the towel, give your marriage another go with the "Save My Marriage Package" from [Vintage Towers Bed & Breakfast Inn](#) in Cloverdale, California. Take the time to reconnect with a bottle of port, fresh brownies and romantic music or share a private moment in a hot tub. Couples who need extra help can also ask innkeeper to arrange a meeting with a professional marriage counselor.
